**Special Awards**

**(1) Dummy Spitter Award.**

John Sorrhghans entry into the Big Kid's Tantrum Hall of Fame occurred as a result of his meritorious effort in the trailer car park at Qld Raceway, during the 2002 Shannon's Historics. A kindly paddock "marshall" had politely suggested to John that he park his trailer in a remarkably shady spot, somewhere the sun was highly unlikely to shine, but this did not suit John. Alan Steel, (last years dummy spit winner) said at the awards function that it took a special effort to take out the coveted award but John's resultant tantie was without doubt one of the best in the annals of historic motor sport and he was a most worthy winner.

**(2) Wally Award.**

David Patterson was bighearted in accepting the award following his luckless first attempt at Mt Panorama, in Historic Group N at Bathurst, 2002.

See Group N News page 10 for more background on the anti-climatic moment.
